

REMARKS / ARGUMENTS

Applicants believe that all rejections cited in the final rejection are rendered moot by the cancellation of the rejected claims.

Applicants believe that this amendment overcomes the objections to claims 30 and 32. Since the Examiner indicated that claims 21, 36 and 44 are allowable, Applicants believe that all claims pending in this application are in condition for allowance.

Entry of this response and reconsideration and allowance of the claims are respectfully requested.

Respectfully submitted,
